Reviews

*Very good eBook and valuable one. Better then never, though i am quite late in start reading this one.
I am very easily could possibly get a satisfaction of reading through a created publication.
(Brianne Heidenreich)*

CALL THE SABBATH A DELIGHT.

Banner of Truth, 2009. Softbound. Book Condition: NEW. 112pp I recently heard someone say "I follow all 9 of the 10 commandments." It is true, isn't it, that we continue to regard each of the other 9 commandments as being integral to the Christian life, but have disregarded the fourth. A few years ago I read an article written by an unbeliever and published in a major newspaper where she questioned how Christians could simply disregard this commandment. Her conclusion was that it was mere disobedience - that Christians disregarded the commandment simply because following it would conflict with our lifestyles. Was she on to something, or did she merely misunderstand the relationship of the Old Testament to the New - a very common problem with believers and unbelievers alike? Call The Sabbath A Delight is the first book I have read dedicated entirely to the subject of Sabbath observance in the post Old Testament era. I have read bits and pieces of information regarding why we should or should not continue to honor the fourth commandment, but never a book-length treatment. This particular book is written by a Presbyterian pastor and published by Banner of Truth which should give a pretty good indication of which side the author will take. He represents the view that I was raised with. I was raised in a Presbyterian home and attended Reformed schools and churches and was continually admonished to keep the Sabbath holy. I spent one year of my life in Scotland and there we were taught that we were not even to play with friends on Sunday, but were instead to read our Bibles and study our Catechisms. While the author, Walter Chandry, may not be that strict, he clearly believes that Christians have abandoned a practice which we need to...
