And as with any worthwhile goal, securing your citizenship requires a lot of work. You ll face many obstacles, and potential pitfalls, but being educated about the process is the first step toward getting what you want. The Reverend Luis Cortes Jr. has developed this simple guide to lead you through the complicated web of bureaucracy and to answer many of your questions. For example: What happens if you re in the United States without papers? What could prevent you from getting a green card? What are the different types of visas? You ll also find Warnings to protect you from fraudulent offers and the risk of deportation. Most important, Cortes informs you of your rights, because whether you re a legal immigrant or not, you do have rights.
