## BIG BEND SCHOOLHOUSE: A SURPRISE IN THE PARK (PAPERBACK)

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Approximately thirty-seven million American children attend elementary school, but only 20 of these children do so in one of the most remote national parks in the lower 48. This account also includes glimpses into some behind-the-scenes activities and events that occurred in this particular national park. Whether attending presentations of the scientists who conduct research in the park, hunting down a mountain lion that has attacked a tourist, or relocating a rattlesnake retrieved from the school playground, the park rangers and interpreters stayed busy. Yet they made time to share their expertise with my students whenever called upon. Some of the history of the Big Bend region, along with its geology, flora, and fauna is also included. This area of the State retains echoes of earlier times -times when this vast, rugged, remote, and hauntingly beautiful part of Texas was indeed, the last frontier. Come travel around the Bend with me and listen to this Texas...
