## GROWING UP IN A WAR

[DOWNLOAD](#)

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Growing Up in a War, Bryan Magee, This utterly compelling memoir opens with a sceptical nine-year-old Bryan Magee being taught the facts of life. It goes on to tell the story of the Second World War as seen through a child's eyes. Growing Up in a War nostalgically evokes the atmosphere of wartime England, the community spirit of a society before television, where very few had cars or telephones. A kid from the East End, he won a scholarship to one of the country's ancient public schools. During the school holidays, he returned to London and the air raids, the doodlebugs and V2 rockets. With the war over, Bryan's school sent him to a Lycee in Versailles, and he explored the Paris of those post-war years. Then, back in England, he tumbled into his first love affair. The book comes to an end with his call-up into the army, and his unexpected posting to the School of Military Intelligence. Growing Up in a War is a stunning autobiography and account of Britain during an extraordinary period of history, by the winner of the J.R. Ackerley Prize for autobiography.
