Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Patsy Blanda)

MODERN MANGLISH: GOBBLEDYGOOK MADE PLAIN

Scribe Publications. Paperback. Book Condition: new. BRAND NEW, Modern Manglish: Gobbledygook Made Plain, Neil James, Harold Scruby, Alan Moir, 'It's dog eat dog in this rat race.' 'We'll burn that bridge when we come to it.' 'I hope to come first or second, or at least win it.' The information superhighway brings more text to our door than ever before. It's just that most of it gets mangled along the way. Twenty years ago, Harold Scruby's Manglish became an instant bestseller. This version expands on the consummate mangles of the original, with all-new Scrubyisms and recent classics from the shame files of the Plain English Foundation. Modern Manglish explores the traditional linguistic traps of mixed metaphors and mispronunciation, new words and old cliches, and euphemisms, tautologies, and jargon. It also exposes the latest Manglish in serially offending professions such as politics, business, and the law. When exactly did we all become 'stakeholders seeking to leverage our paradigms to achieve best-practice scenarios moving forward'? Alongside these are the newest contenders for the Manglish crown, ranging from sports talk to silly signs and from food speak to fancy-pants job titles. For your delectation - and perhaps chagrin - here are the worst excesses of Manglish, illustrated by Australia's premier editorial cartoonist, Alan Moir. 'If I die laughing, my family will sue the authors.' Phillip Adams 'Your survival manual for the language jungle.' - William Lutz, author of Doublespeak 'A must-read for all politicians, businesspeople, and sports commentators. Hopefully to become an audiobook for footballers.' - Leo Schofield.
