Shortly afterwards, her spirit returns to the house, only to find her mother gone and strangers moving in. She also finds the older spirits who dwell there, beginning a powerful battle for control of the house - and trapping its new residents in the middle. Overshadows chronicles the events of this terrifying multiple haunting, but more importantly, it shares the incredible discoveries made during the course of a six-year investigation. This book will challenge and disprove classic theories, and create upheaval in the circle of life-after-death research. Richard Palmisano has investigated the paranormal for most of life. He is by trade a security specialist and criminal investigator with 21 years in the field. He is currently a Crown employee. Overshadows is his first book.
