North Atlantic Books. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 9.1in. x 7.0in. x 1.0in. This paperback edition has a new introduction by the author and updated content. This is the first volume of North Atlantic Books updated paperback edition of Dale Pendell's Pharmako trilogy, an encyclopedic study of the history and uses of psychoactive plants and related synthetics first published between 1995 and 2005. The books form an interrelated suite of works that provide the reader with a unique, reliable, and often personal immersion in this medically, culturally, and spiritually fascinating subject. All three books are beautifully designed and illustrated, and are written with unparalleled authority, erudition, playfulness, and range. PharmakoPoeia: Plant Powers, Poisons, and Herbcraft includes a new introduction by the author and as in previous editions focuses on familiar psychoactive plant-derived substances and related synthetics, ranging from the licit (tobacco, alcohol) to the illicit (cannabis, opium) and the exotic (absinthe, salvia divinorum, nitrous oxide). Each substance is explored in detail, not only with information on its history, pharmacology, preparation, and cultural and esoteric correspondences, but also the subtleties of each plant's effect on consciousness in a way that only poets can do. The whole concoction is sprinkled with abundant quotations from famous writers, creating a literary brew as intoxicating as its subject. The Pharmako series is continued in PharmakoDynamis (focusing on stimulants and empathogens) and PharmakoGnosis (which addresses psychedelics and shamanic plants). This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
