Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Playing for Great Britain, Warrington, Salford, Cronulla and Wigan St Patricks, never giving less than 100 per cent, he is respected worldwide by his peers and fans alike for never taking a backward step. At the end of his superb playing career Mike took the same ethos into coaching and following initial setbacks, he landed his dream job in charge of his home town club Wigan. Battling against a devastating illness resulting from an insect bite whilst undertaking international coaching duties in 2003, he guided the Wigan team to the Challenge Cup Final in 2004 before temporarily standing down to commence treatment in the USA. But on his return found he had to fight with the club to resume his work. Mike lost that battle for reinstatement but in a high profile legal case, gained recompense from the Wigan club. His path now, proving his doubters wrong and winning this final match against his illness with his loving wife, two young sons and supporters all behind him.
