Reviews

It in a single of my favorite publication. It really is rally interesting throgh studying period. Your life period will probably be transform once you total looking at this book.

(Janie Schultz I)

WOMBOLOGY: HEALING THE PRIMORDIAL MEMORIES AND WOUNDS YOUR GRANDMOTHERS DAUGHTER GAVE TO YOU

iUniverse. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. Imagine for a minute that there could be an undeniable connection between the prenatal environment and emotional issues that occur during adulthood. Wombology presents the innovative concept that a pregnant womans deep emotional state can shape her childs consciousness throughout his or her life span. As a clinical psychologist, Dr. CJ Johnson has studied the fascinating dynamics shared between generations of mothers and children and explores a theory that the hidden influences of the prenatal environment may subconsciously and indefinitely shape the development of temperament, personality, and character of her unborn child. Dr. CJ discusses how a mothers diet can influence a childs favorite food choices, how an unwed mother shunned by society can pass on her negative emotions to her baby, and how birth order makes a difference in how expectations are set for each child. Worksheets, treatments, and techniques are included that will help lead others on a journey to healing the deep wounds received in utero. Now is the time to stop making excuses for not living a full life. Wombology opens the door to a new and exciting theory that will allow generations of mothers and her children to become whole again and soar to the peaks of unimagined personal heights and growth. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
