Jerry Rankin, president of the International Mission Board, captures the essence of his organization's ministry in To the Ends of the Earth. Readers are shown a foundational prayer strategy and church-planting methodology that are essential components of kingdom growth. They will also find practical ways to participate in short-term volunteer projects, support missionaries, adopt unreached people groups, and join partnerships that faithfully fulfill the Great Commission. Most of all, the book increases an awareness of how God is working in the world today, and in turn challenges every believer to a new urgency in reaching those who don't know Jesus. Editorial Reviews About the Author Jerry Rankin and his wife, Bobbye, spent twenty-three years as missionaries in Asia until he became International Mission Board president in 1993. He now leads the IMB with a vision of missionaries, churches, and volunteers partnering to take the gospel to all people. Rankin earned a bachelor's degree from Mississippi College and his master of divinity from Southwestern Baptist Theological Seminary. The Rankins live in Richmond, Virginia.
