On June 26th 2015, the Supreme Court passed the ruling to allow home-sexual marriages to be the accepted norm of the land. What happened? Where is the Power of God we talk about or read about in the Bible? If this was not passed, Churches would have claimed it as a huge answer to prayer, but now? What are the Churches saying? The question needs to be asked Is GOD in the midst? Is He really among us? I am astounded, flabbergasted, shocked, in unbelief that we have 100s of Pastor s, Evangelists, and even if we reflect on the past 10 years with 1000s of good students graduating from Bible colleges wanting to please God, but with all this yet there is not ONE Revivalist? No one who can shake a city for God? IS HE REALLY AMONG US? The homo-sexual victory in the Supreme Court is not a reflection of how dark the days are, or how far America has turned away from God, it is a reflection of how bankrupt the Church is. We need to ask ourselves, Is this really a judgment of God on our Churches that has become lukewarm and ready to be spewed out of God s mouth? If we don t judge ourselves, then God will judge us. For the time is come that judgment must begin at the house of God: - 1 Peter 4:17 ICHABOD.
