BLOOD OF THE EMPEROR

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. In this thrilling conclusion to The Annals of Drakis, it appears that the ancient prophecy of Drakis the human warrior who will lead all the races conquered and enslaved by the elves of the Rhonas Empire to freedom is about to be fulfilled. The elves have ruled their vast Empire for centuries, thanks to both their well-trained Legions and their complete control of the Aether the mystical substance that fuels their magic. But there is now a growing rebel army threatening to overrun their territory. It is an army able to draw on magic of its own, an army allied with dragons, an army marching under the banner of a human named Drakis. Once a warrior-slave to the elves, Drakis, along with a small group of stalwart companions, escaped from these cruel masters when the Aether Wells in the region were brought down by a single dwarf s magic. Their flight took them straight into a realm out of legend, where dragons were real and were ready to once again ally with humans. Flown back to their homeland by five of these dragons, the adventurers find themselves hailed as conquering heroes, and, willing or not, Drakis is forced to take on the role of leader. And soon there can be no turning back from the inevitable conflict, for the elves are mobilizing their Legions to destroy not only the entire rebel force, but all the pilgrims that have flocked to the Man of the Prophecy s encampment right down to the youngest children. Desperate to avert disaster, Drakis has conceived a plan that he hopes will provide a haven for the pilgrims and put an end to war. But when he...
