

Preferred Lies: A Journey to the Heart of Golf

By Andrew Greig

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, Preferred Lies: A Journey to the Heart of Golf, Andrew Greig, A book about golf that will appeal to both players and non players, by Scottish poet and novelist. Surely golf is a game for posh people, country clubs and networking businessmen, for unfortunate sweaters, politics and trousers? Andrew Greig grew up on the East coast of Scotland, where playing golf is as natural as breathing. He sees the game as the great leveller, and has played on the Old course at St Andrews as well as on the miners' courses of Yorkshire. He writes about the different cultural manifestations of the game, the history, the geography, the different social meanings, as well as the subjective experience, the reflections between shots. He plays alone, with friends and brothers, with ghosts. He is looking for the essence of golf, the pure heart of it, which can be found, Andrew Greig believes, on the free 9 hole course on North Ronaldsay.

Reviews

It is one of the most popular publications. We have read through and that I am sure that I will likely study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
