Microcosm Publishing, United States, 2014. Paperback. Book Condition: New. 175 x 140 mm. Language: English . Brand New Book. As the second book in a one-of-a-kind cycle-touring series, this guidebook reveals hard-to-find information about exploring Washington by bike. Learn about the state s remotest ribbons of road in the Okanagan, the best bikeable berry stands in the San Juans Islands, luscious Walla Walla wine country vineyards best reached by bicycle, and routes across the Cascade Mountain Range that will transform you into an interminable lover of the Pacific Northwest. Like a cycle-touring concierge, Cycling Sojourner takes care of the logistics and removes obstacles between you and your two-wheeled adventure, so you can grab your bike and go. The nine tours in the book are meticulously laid out and include cue sheets; maps; and information about weather, difficulty level, camping and lodging options, and how to get to the ride s start. Yet, the soul of the book lies in the voices of Thalheimer and the four contributing Washingtonian authors who use storytelling, local history, and humor to elevate the book beyond just an everyday guidebook to an inspirational muse that draws out your inner adventurer.
