*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

THE THEORY OF TWENTY ONE

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, The Theory of Twenty One, Chuck Reaves, According to the theory of 21, there are twenty people who will say no for every person who says yes. The secret to success in business is finding the 21st person, the individual who is open to ideas and innovation and who makes abstract ideas become reality. This book helps you identify the twenties--those who dislike change and fear risk--and teaches you how to elude them and to persevere despite their repeated assurances that whatever you're trying to do won't work.
