Excerpt: . . . folly, they are consistent and logical in so high a degree as to begin, as soon as even roughly classified, to display the principles of their formation and development; and these principles prove to be essentially rational, though working in a mental condition of intense and inveterate ignorance. Our friends appear to dream buffalo. Sitting, apparently thinking of nothing at all, a man will pick up a bit of cane or forked twig from the ground, and like the typical Yankee is supposed to whittle a stick while he speculates, so the Toda will employ himself for an hour at a time, splitting his bit of cane or rounding the little branches of his twig into the likeness of buffalo horns, as he muses. Children may be seen coming in from cattle-driving, with strings of these small horns. And these treasures are found lying...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
