Pursuant to a congressional request, GAO reviewed Tennessee's Medicaid capitated managed care program (TennCare), focusing on: (1) TennCares basic design and objectives; (2) the degree to which the program is meeting these objectives; and (3) the experiences of TennCare insurers and medical providers and their implications for TennCares future. GAO found that: (1) TennCares objectives are to expand health care coverage to the states uninsured and to control program costs by mandating that Medicaid participants enroll in managed care organizations (MCO) and covering certain uninsured, Medicaid-ineligible persons; (2) Tennessee has cut costs by setting its capitation rates below historical Medicaid costs, applying an additional discount based on the assumption that extensive insurance coverage would reduce charity care costs, and discontinuing certain supplemental payments; (3) in granting the Medicaid waiver, the Health Care Financing Administration has required Tennessee to implement measures to monitor and ensure access to quality care and has limited federal payments over the 5 years to ensure that federal costs do not exceed what they would have been without the waiver; (4) despite the increased number of participants, federal...

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
