

That s Hockey (Paperback)

By David Bouchard

Orca Book Publishers, United States, 2016. Paperback. Book Condition: New. Dean Griffiths (illustrator). New. 249 x 198 mm. Language: English . Brand New Book. When Etienne takes his cousin out to play street hockey for the first time, he has a lot of explaining to do. Street hockey is nothing like ice hockey. Everyone has to wear a number 9 Canadiens hockey sweater, but beyond that, the game has more to do with a fun day in the snow than with winning or losing. Etienne's cousin comes away with a good-luck charm and a story worth passing on.

Originally published over a decade ago, this lively and endearing picture book will introduce a new generation of hockey fans to the magic of real hockey.

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.
