CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 8.7in. x 5.8in. x 0.3in. This book resumes years of interviews to women in Asia, regarding their expectations, needs and common behaviors before and during a relationship, but also interviews with men that married them. In this short manual it's possible to find a resume to hundreds of pages of collected information and face-to-face interviews. The principles here presented have been exposed and thought to both Western and Chinese men, as the author always makes sure his knowledge can be 100% accurate before combined and published into a book. This knowledge worked in every case in which it was applied. But, more than providing men around the world with a more clear, precise and effective, as well...
