Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe. (Prof. Jedediah Kuhic DVM)

ARE YOU GAINING WEIGHT AND ARE YOU TIRED?: BOOK I OF THE FIVE BOOKS OF ISIS SERIES (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. Much of our thinking has been manipulated either by commercial marketing or by religious institutions which often times try to convince you of the truth from their perspective. The tangled web that has been woven is better sent to the dustbin of history so that we can start again on a fresh page. Today the public enjoys the ability to get to a truth themselves by accessing the Internet. We also today have two other sources for delivering the truth: Knowledge of our DNA and The Knowledge of the ancient texts. The Books of Isis represents a Movement of persons willing to seek the truth about BOTH science and the origins of mankind. Our cells were programmed in the beginning to produce perfect health. Neither you nor your family should EVER be sick or overweight. Illness rarely if ever is a genetic curse, as if Satan showed up in the womb to foul up your entire lineage. Rather, disease stems from your ignorance about the cells, what they REQUIRE for nourishment, AND WHO FASHIONED THEM! The TRUTH lies with any high school biology teacher. The human cell REQUIRES just 6 nutrients. Today mothers are unable to quickly enunciate these 6 things to feed their children every day; nor can they state the form in which they have to be to be ABSORBED by our cellular structures. This is NOT difficult. You do NOT need an advanced degree in food chemistry. Book I of The Books of Isis series (Are You Gaining Weight and Are You Tired?) lays them out in kindergarten terms. Our primary misunderstanding lies with fats, which are required for energy and hormone production, among a...
