This book aims at enriching your knowledge and putting the power back into your hands when it comes to cleaning your home and inevitably controlling what harmful contents you and your family get exposed to in the home environment. The really great thing about making your own cleaning products at home is the fact that most recipes are versatile and can be used for many different purposes, eliminating the problem of having too many different cleaning products, but you will find target specific ideas here to help you clean effectively and eco-friendly. The recipes have been placed in categories such as kitchen cleaning and bathroom cleaning so if you are looking for something specific, just have a look at what area you need to clean and then cross reference with the index. There are some great tips on general cleaning and upkeep in and around the house too. It s safe to say that when in doubt, always try using vinegar or...
