A burned-out superhero comic artist goes on an adventure that spans time and space with two female companions. Acclaimed cartoonist Dylan Horrocks returns with a long-awaited new graphic novel, the first since his perennial classic, 1998's *Hicksville*. Cartoonist Sam Zabel hasn't drawn a comic in years. Stuck in a nightmare of creative block and despair, Sam spends his days writing superhero stories for a large American comics publisher and staring at a blank piece of paper, unable to draw a single line. Then one day he finds a mysterious old comic book set on Mars and is suddenly thrown headlong into a wild, fantastic journey through centuries of comics, stories, and imaginary worlds. Accompanied by a young webcomic creator named Alice and an enigmatic schoolgirl with rocket boots and a bag full of comics, Sam goes in search of the Magic Pen, encountering sex-crazed aliens, medieval monks, pirates, pixies and of course cartoonists. Funny, erotic, and thoughtful, *Sam Zabel and the Magic Pen* explores the pleasures, dangers, and moral consequences of fantasy. Full color. This item ships from multiple locations. Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
