My Book of Simple Subtraction

By Kumon Publishing

Kumon Publishing North America, Inc. Paperback. Book Condition: new. BRAND NEW, My Book of Simple Subtraction, Kumon Publishing, This workbook will help your child develop an understanding of subtracting the numbers one through five from whole numbers up to 20. By using this book, children will be able to understand the concept of subtraction by repeatedly tracing and reciting numbers both forwards and backwards and then gradually shifting to subtracting the numbers one through five. Kumon workbooks are based on the 'Kumon Method', an educational philosophy that aims at unlocking the full learning potential of each individual child.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Josiane Collins

Absolutely essential study ebook. It is among the most remarkable book i have got read through. You will like how the article writer compose this pdf.
